To: System Audit Office
Governor's Office of Budget, Planning and Policy
Legislative Budget Board

From: Brook Syers, Audit Director

UTHealth Houston's Auditing & Advisory Services department conducted an assurance engagement of the Isilon System (#HSC26AS1051). The objective of the engagement was to determine whether controls over the Isilon System (research cluster), subsequently renamed to Dell PowerScale, are adequate and functioning as intended.

The report contains confidential information that relates to the security of sensitive data and is not subject to the disclosure requirements of the Texas Public Information Act, based on the exception found in Government Code 552.139. Specific results were made to the appropriate management members.
