

Requirements Regarding Promotional Items and Fundraisers for Students & Student Groups

All items produced for UTHealth Houston-related clubs, groups, activities, fundraisers and events – whether the items are for sale or to give away – must be purchased through Follett’s UTHealth Houston Campus Stores.

We at UTHealth Houston are fortunate and proud to have diverse and enterprising students that actively participate in university and civic life – in student affinity and service groups, charities, sports leagues and more. Each year, students and student groups across campus create promotional items for their causes and activities, either to sell as fundraisers or give away as gifts.

As members and representatives of UTHealth Houston, students must follow UTHealth Houston policies and procedures in creating and distributing such items. To ensure that standards are met and policies are followed, and to streamline the ordering and approval process for all parties, **all students will be required to order UTHealth Houston-related promotional items and apparel via Follett’s UTHealth Houston Campus Stores.**

Follett has contracted the vendor Club Colors to provide special-order promotional items and apparel to students and student groups. Club Colors is licensed by The University of Texas System Trademark Licensing Office to produce UTHealth Houston-logo items and was chosen for its wide variety of items, knowledgeable customer service and competitive pricing. Every company, including Club Colors, that uses the UTHealth Houston logo pays a royalty to UT System. In turn, UT System shares these royalties with each UT institution. Presently, UTHealth Houston Auxiliary Enterprises places these revenues in Scholarship Endowments for students.

Products can be viewed on the Club Colors website (<https://signaturecollection.clubcolors.com/>) or in print catalogs located at each UTHealth Houston Campus Store location. All orders must be placed through Follett’s UTHealth Houston Campus Stores. The process for creating promotional items follows below.

Thank you for your cooperation in this matter. Please do not hesitate to contact Auxiliary Enterprises at (713) 500-8400 with any questions.
