4) I have a change to my Supplier information (address, name, tax ID), how do I update that information for my 1099?
   - If you have a change to your supplier information, you will need to send a signed W-9 with the new information to our Procurement department. W9 can be faxed to 713-383-3722. Contact Judy Scypion 713-500-8192 Judy.Scypion@uth.tmc.edu or Alejandra Baez 713-500-4709 Alejandra.Baez@uth.tmc.edu if you have questions or don’t have a way to fax the form.
   - The change to the supplier information has to be completed before we are able to send the updated 1099. Once you have updated your supplier information, you can let Accounting and Budget know that you need a corrected 1099 form by contacting 713-486-1099 and leave a voicemail with your information.

5) What is a W-9 form and where do I get one?
   - A W-9 form is a request for taxpayer identification number and certification. It includes things like your name, address, federal tax classification, tax identification number (TIN), and signature

6) How do I know if I received a corrected 1099 form?
   - The corrected check box on the form will be marked.

7) How long will it take to send me a corrected or additional 1099 form?
   - It varies depending on your location and the postal service. It could also take longer in the COVID-19 environment to prepare the correction.

8) Can you email me the 1099 form? Or can I access it online?
   - No – email is not a secure way to send your personal information such as your TIN. We mail the initial batch by 1/31 and any corrections will either be mailed or, if you live close to UTHhealth, you can schedule a time to come and pick up the 1099 with your ID. Call 713-486-1099 and leave a voicemail to schedule.

9) I am the parent, spouse, or other relationship to the living person who received the 1099 from UTHhealth. Can you answer my questions or tell me information about their 1099 if I call?
   - No – we can only discuss the 1099 information with the person that received the 1099.

10) I have a question about how to fill out my taxes based on the 1099 form received, can you help me?
    - No – we are not allowed to provide tax advice. If you have a question about how to complete your taxes you can discuss that with your tax advisor. We can only answer questions about the form itself as it relates to UTHhealth.
