

#### Updated: August 2023

### Access the <u>MyUTH Student Portal</u>

Link: <u>https://uthidp.uth.edu/nidp/saml2/sso?id=Campus-Affiliate-LOA2-</u> DUO&sid=0&option=credential&sid=0

If you are an MDA student, then you will need to click to the right where it says "MD Anderson Cancer Center" to go to the MDA/UTH student portal:

 Here you will need to enter your MDA credentials (do <u>not</u> enter your UTH credentials) and login, which will then allow you to make a payment via the MDA student portal.

#### 3. On the payment page, the following should reflect:

- a. The amount due on the account immediately, including any non-installable fees, past due fees, etc., this amount depends on the most recent due date in the installment plan
- **b.** The payment amount field should be blank for students, until an amount is entered manually or the "Pay Charges Due Now Only" button is selected and populated
- c. The "Pay Charges Due Now Only button will":
  - Calculate any amount due immediately (1<sup>st</sup> installment with fees) AND—if in between installment due dates—it will include installment amount #2 or installment amount #3 into the payment amount.
  - Example: 5/12/23 is the first installment due date, but student is in late registration. The amount will reflect the first + second installment + any noninstallable fees + late registration fees, as 'charges due now'. If this is before the second installment due date, the student can manually enter what they would prefer to pay based on their 'Detailed Charges' below, and then pay the remaining balance prior to that second installment due date.
- **d.** The detailed "My Charges" section, which will reflect all installment amounts, their due dates, any fees, and additional balances on the account.
