Notice to All Bidders

This Addendum forms a part of the Contract Documents and modifies the original Drawings, issued 26 February 2018, to the extent noted hereinafter.

All parties of interest shall take careful note of this Addendum so that proper allowance is made in all computations, estimates and contracts and so that all trades affected are fully advised in the performance of work that will be required by them.

This Addendum supersedes all previous Drawings, Specifications, and instructions pertaining to these items.

A. Drawings
