

Coupa Supplier Portal (CSP)

Preferred Invoicing Method - [Coupa Supplier Portal \(CSP\)](#) The CSP is a free tool for suppliers to easily do business with UTHealth. The CSP makes managing invoices and transactions easy. Depending on our specific Coupa configuration, you can manage content and settings on a customer-by-customer basis, including viewing purchase orders, setting up delivery methods, creating catalogs, sending invoices, checking the status of transactions, and more. Communication between supplier and the University is done through the front-end system with a history of all communication.

Get Started with the CSP

Register

Get an invitation email from UT Coupa Support Team, then self-register.

Create Your Account

Create an account from invite email.

Log in to CSP

Log into the CSP using single or two-factor authentication.

Create Custom Views or Update Your Profiles

Change the view settings depending on how you want to see information on orders, invoices, catalogs, service, or payments for each customer. Updates your public and customer-specific company profiles.

The screenshot shows the Coupa Supplier Portal login interface. At the top left is the "coupa supplier portal" logo. At the top right is a security icon with the text "Sec" and a book icon. The main content area is a white box with a light blue background behind it. Inside the box, there are two buttons: "Log in" (highlighted in blue) and "Sign up". Below these is the heading "Login to your Coupa account". There are two input fields: "Email Address" with the placeholder "Enter email address" and "Password" with the placeholder "Enter password". Below the password field is a blue link "Forgot Password?". At the bottom of the box is a large orange "Log in" button. The footer is a dark blue bar with links for "Features", "Solutions", "Resources", and a "Chat with Coupa Support" button with a speech bubble icon.
