

Element Biosciences Aviti Demo at UTHealth CGC

What: A demo-sequencing run with Element Biosciences (PE150)

Where: UTHealth CGC (McGovern Medical School, Room 2.221J, Houston TX)

Cost:

sequencing cost: \$50/20 M reads (special demo price; Free QC for premade libraries)

library preparation cost:

CGC Service Center	Internal ¹	Academic ²
Library Preparation only		
mRNA-seq	\$99/sample	\$129/sample
Total RNA-seq	\$139/sample	\$179/sample
sRNA-seq (small RNA-seq) for micro RNA	\$129/sample	\$169/sample
ChIP-seq	\$129/sample	\$169/sample
ATAC-seq	\$159/sample	\$199/sample
Ultra-low Input mRNA-seq	\$149/sample	\$189/sample
Ultra-low input total RNA-seq	\$149/sample	\$189/sample

The number of samples in the demo run is limited!!
