

Dear Parents,

This letter is to inform you that the UT Child Development Center is a “NUT FREE” school. We ask that you assist us in providing our students with a safe school environment. It is important that there is strict avoidance to all nuts and nut containing products (peanuts, walnuts, pecans, almonds, peanut butter, almond butter, Nutella, etc.) to avoid a life-threatening allergic reaction. To reduce the chance of this occurring, please be mindful of the following:

1. If your child has eaten peanuts/nuts before coming to school, please be sure your child’s hands and face have been thoroughly washed before entering the school.
2. Please do not allow your child to bring any food items containing nuts or nut products into the school or store them in their locker for after school consumption.
3. When planning your child’s lunch, we ask that no foods containing nuts or nut products be brought into the school under any circumstances.

Your understanding and support in helping us to provide a “NUT FREE ZONE” within the UTCDC is greatly appreciated.

Please complete and return this form to confirm you have received this information.

I have read and understand the peanut/nut free center procedures. I agree to do my part in keeping the center peanut and nut free.
