Re: Electronic Signature Certificate Statement

To Whom It May Concern:

Pursuant to Section 11.100 of Title 21 of the Code of Federal Regulations, this is to certify that The University of Texas Health Science Center at Houston considers that all electronic signatures executed in our on-line human research application system, by our officers, directors, employees, students or contractors, are the legally binding equivalent of traditional hand-written signatures, subject to applicable University policies.

Sincerely,

George M. Stancel, PhD
Executive Vice President for Academic and Research Affairs
