BSN Honor Students Present at Research Day 2016

Honor Student Charlotte Malone (R) presented a poster titled “Roles of Clinical Practice Nurses in Interdisciplinary Research Teams” as part of her honors program course project at the School of Nursing (SON) with mentor and Biobank Director, Dr. Jennifer Sanner (L) and the Biobank Team during the Spring 2016 semester.

Honor Student Karin Chang (Center) won “Best Of” 2016 podium presentation for her talk, “Quality of Sleep and Life after Hospitalization for Acute Coronary Syndrome.” Karin completed the honors program project with mentor, Dr. Jennifer Sanner and the Biobank Team (L to R: Dr. Hall, Dr. Sanner, Ms. Chang, Dr. Udtha, and Ms. Aguirre) at the SON during Fall 2015 and Spring 2016 semesters.

Requesting Samples and/or Data from the CCTS Biobank

Students & Research Fellows, Assistants, Associates, Scientists, & Coordinators working with Qualified Principal Investigators (PIs) can Request Samples and/or Data from the CCTS Biobank

With the PI’s approval, follow the ‘How to Request’ guidelines on our website at: https://www.uth.edu/biobank/
or email the Biobank Program Manager for further information.
