The UTHealth CCTS Biobank Participates in International Cooperation Program with Taiwan

Jennifer Sanner, Ph.D., R.N., Director, Center for Clinical and Translational Sciences (CCTS) Biobank and Assistant Professor, Nursing Systems, together with Teng-Yuan (Erica) Yu, Ph.D., R.N., Assistant Dean, Undergraduate Programs and Assistant Professor of Clinical Nursing – Acute and Continuing Care, at The University of Texas Health Science Center at Houston (UTHealth) School of Nursing, are collaborating with Min-Huey Chung, Ph.D., R.N., Associate Professor, Graduate Institute of Nursing at Taipei Medical University in Taiwan. The grant collaboration, which is focusing on genetic analysis of racial differences in cardiovascular disease, involves the CCTS Biobank and is part of the Taiwan and U.S. Agency for International Cooperation Program.
