

### F-1 Student Transfer-In Form

Students admitted to a program of study at The University of Texas Health Science Center at Houston (UTHealth) who are currently in the United States in the F-1 student visa status must complete this form. If the Office of International Affairs (OIA) determines that you are eligible to transfer to transfer your F-1 sponsorship to UTHealth, the Designate School Official (DSO) at your current institution must release your SEVIS record. OIA will not have access to your SEVIS record until the release date set by your current DSO is reached.

**Note: You must contact your UTHealth OIA Advisor prior to registering for classes or before departing the U.S. between programs. Failure to do so may result in your inability to transfer your F-1 sponsorship.**
