Sponsored Projects Administration (SPA)

Supports UTHealth faculty, staff, and students in the acquisition and administration of programs funded from sources outside the University.

SPA is the central point of coordination and tracking for sponsored projects and is UTHealth’s authorized representative for grants, contracts, and other agreements from government agencies, private industry, and non-profit foundations.
SPA Grants and Contracts Team

- Review and approve administrative components of a proposal (i.e. not science) for Grants, Cooperative Agreements, & Subcontract Proposals (HOOP 64)
- Ensures grants meet sponsor, UT System and institutional guidelines
- Serves as liaison between PI and sponsor on administrative/financial issues
- General pre-proposal guidance
- RFP guideline interpretation
- Authorized signing officials (HOOP 124)
Purpose of the Institutional Review

Grants and contracts are made to the institution. The institution is legally and financially responsible for committing facilities and managing awarded funds.
