Login

Note: Any bookmarks or favorite created prior to October 15, 2017 will no longer work for faculty login.

Go to the [Registrar's website](#)

- click on myUTH in the left navigation area
- click on the Students & Faculty/Designee link to access the myUTH login page (below)
- **UTHealth Faculty/Designees (1)** use the main page to login.
 - If you are on campus or on the UTH network, DUO authentication will not be required.
 - If you are off campus or not on the UTH network, DUO authentication will be required.
 - If you need assistance using DUO, please contact the UTHealth Helpdesk at 713-486-4848
- **MD Anderson School of Health Professions Faculty/Designees (2)** will need to click on the MDA logo to login from the main page. You will need to use your MDA login credentials and follow the MDA standards to authenticate into the system.

The screenshot shows the myUTH login interface. On the left, the UTHealth logo is displayed above the text 'The University of Texas Health Science Center at Houston'. Below this is a 'Campus Logon' section with a text input field (marked with a '1' in an orange circle), a password field, and a 'Log in' button. To the right, a 'Protected Resource' warning is shown, stating that authentication is required and offering 'alternate authentication methods'. Two options are listed: 'MD Anderson Cancer Center' (marked with a '2' in an orange circle) and 'Alumni Home'. At the bottom, there is a 'Contact UTHealth Help Desk' section with contact information and a 'WARNING!' about protected information.

All users still have exactly the same security access in 9.2 that they had in 9.0. If the page is not found behind a tile it can be found using the classic navigation function.
