For value received I, \_\_\_\_\_, the undersigned as maker, promise to pay to the order of The University Of Texas Health Science Center at Houston ("University") the sum of \_\_\_\_\_ Dollars (\$ \_\_\_\_\_), advanced to me with no interest upon such advance.

Payment of such principal shall be made online at the website of the University's servicer, University Accounting Services (UAS), <http://www.uasconnect.com>, or sent directly to The University of Texas Health Science Center, P.O. Box 301585 Dallas, Texas 75303-1585, not later than \_\_\_\_\_. **I understand that repayment is required if withdrawal or graduation preempts this repayment date.**

If payment or deferment is not made by the due date, I promise to pay a fifteen dollar (\$15.00) late payment fee, and the following additional penalties may be imposed: (1) I may be ineligible for future financial aid from the University; (2) withholding of my grades, official transcripts, and/or degrees; (3) bar against readmission, (4) the indebtedness reported to a credit reporting agency(ies), and (5) the indebtedness referred to a collection agency(ies).

On default in payment of this Note, the unpaid principal balance and late fee on this Note shall, at the election of University, become immediately due and payable, and notice of such election is hereby waived. Upon default, University may exercise all rights and remedies provided at law or in equity. The rights and remedies specified in the Note are cumulative and not exclusive of any rights and remedies that University may otherwise possess. No delay on the part of University in exercising any power or right under this Note shall operate as a waiver of the power or right, nor shall any single or partial exercise of any power or right preclude further exercise of that power or right.

I waive demand, notice and protest, notices of intent to accelerate maturity, notices of acceleration of maturity, and agree to all extensions and partial payments, before or after maturity or default, without prejudice to the holders. If this Note is placed in the hands of an attorney for collection, or if it is collected through resort to a collection agency, bankruptcy, probate, or other court, either before or after maturity, the cost of collection, including reasonable attorney's fees, may be added to the total amount due at University's option. Reasonable attorney's fees shall be 33 1/3% of all amounts due unless either party pleads otherwise. The collection agency fee may not exceed 30% of all amounts due. On any acceleration or required or permitted prepayment, any such excess shall be canceled automatically as of the acceleration or prepayment or if already paid, credited on the principal of the debt or, if the principal of the debt has been paid, refunded. This provision overrides other provisions in this and all other instruments concerning the debt. Venue of any actions relating to this Note shall lie in Travis County, Texas.

No provision of this Note shall be modified except by a written instrument signed by maker and University expressly referring to this Note and to the provision to be modified.
