

University of Texas Health Science Center at Houston 2018-2019 Cost of Attendance

The Cost of Attendance (COA) is a **reasonable average** of a student's educational and living expenses for the period of enrollment. The COA sets limits on the total aid that a student may receive, and it is generally the sum of tuition/fees, books and supplies, room and board, transportation, and personal/miscellaneous expenses. Federal, state, institutional and other resources cannot exceed the cost of attendance. The COA may be used by students to financially prepare to meet their educational expenses.

For a list of available financial aid funds, please navigate to [Types of Financial Aid](#) on our website. We recommend that you review and understand your current loan debt and make an informed decision prior to borrowing loans. To view Federal loans you have borrowed, you may log on to the National Student Loan Data System (NSLDS) website at: https://nslds.ed.gov/nslds/nslds_SA/. We encourage you to use the [Federal Loan limits Acknowledgment](#) form as a guide to calculate your current and/or future debt.

The Office of Student Financial Aid conducts a biennial student cost of living survey to determine the most recent and accurate living costs. Enrolled students are encouraged to participate in this survey when it becomes available.

**For periods less than 12-months, the budget is prorated according to the actual period of enrollment. (Asterisk identifies periods less than 12-months)*

****TOTAL amounts are based on RESIDENT tuition. To calculate NON-RESIDENT, subtract RESIDENT total and add NON-RESIDENT total.*
