1. The financial aid Cost of Attendance (COA) and financial aid awards are estimated based on anticipated full-time enrollment for fall/spring terms. Financial aid (Pell grants and loans) will be adjusted at the end of the add/drop period to reflect your semester registration. You will be expected to repay any over payment of financial aid (Pell grants and loans) that resulted from a reduction in enrollment hours. The outstanding balance will be reflected on your university student account. Students must be enrolled at least half-time to qualify for loans. Students, with the exception of professional Medical and professional Dental, must be enrolled for both 6-week sessions at the beginning of the term to receive summer financial aid disbursements.

2. All students must meet Satisfactory Academic Progress (SAP). SAP is calculated annually at the end of the spring term once all grades have been posted.

3. All HOLDs must be resolved funds to disburse.

4. If applicable, refunds are processed by the Bursar’s Office generally 3-5 business days after funds have been posted to your tuition account.
