Instructions
Pursuant to Federal Regulations, financial aid recipients must maintain Satisfactory Academic Progress (SAP) to remain eligible for federal aid. The Office of Student Financial Services has established comprehensive guidelines to measure whether a student is progressing satisfactorily towards completion of his/her program of study. SAP is measured annually both quantitatively (time-based) and qualitatively (grade based) at the end of each spring term once all grades have been posted to determine a financial aid recipient’s continued eligibility for aid. When determining SAP, all previous academic history (including classes taken at this institution and received as transfer credit) is incorporated in the calculation even if a student did not receive financial aid for those terms. While financial aid eligibility is determined by the Office of Student Financial Services, maintaining Satisfactory Academic Progress is the responsibility of the student.

Students not meeting SAP standards will be ineligible for financial aid whether or not written notice is received from the Office of Student Financial Services. Students failing to meet SAP standards may appeal the suspension of financial aid by completing this form and providing documentation to support an appeal. Supporting documents may include a letter from the student’s Academic Advisor/Dean, bills or other documents demonstrating a student’s hardship. The lack of supporting documentation may result in an appeal denial.

Appeal Circumstances:
- Health issues
- Injury, death of relative or
- Other extenuating circumstances (i.e., personal or family problems)

Submitting an appeal does not guarantee the reinstatement of financial aid eligibility.

Tuition and Fees: The student should make alternate payment arrangements to cover the cost of tuition and fees. Students are not eligible for Emergency loans until SAP is met or appeal is approved.

Submission Requests:
Students have the right to submit a completed SAP Appeal form and any documentation necessary to substantiate the circumstances of the appeal within 10 business days of the notification/determination date. Appeals submitted after the 10th business day will not be evaluated or effective until the next term. Submissions must be sent to the Office of Student Financial Services.

Required Documents:
- Appeal Form
- Documentation necessary to substantiate the circumstances of the appeal
- Degree Plan approved/signed by your Academic Advisor/Dean outlining the steps to be taken to achieve SAP requirements

Review:
All documentation will be reviewed by the Financial Aid Appeals Committee (FAAC) within 14 business days from the date the appeal and documentation was submitted.

Decision:
Students will be notified of the decision by the FAAC via e-mail or letter upon review completion.
