**Tips on using your ClinCard Prepaid MasterCard:**

* If you "opt-in" to receive email and/or text messaging, you will be notified when funds are applied to the card. You may also receive messages to remind you about upcoming appointments and other study information. Standard text messaging rates from your wireless service provider may apply.

* You may use your Card to purchase or lease goods or services everywhere Debit MasterCard is accepted as long as you do not exceed the value available on your Card Account. Some merchants do not allow cardholder to conduct split transactions where you would use the Card as a partial payment for goods and services and pay the remainder of the balance with another form of legal tender. If you wish to conduct a split transaction and it is permitted by the merchant, you must tell the merchant to charge the exact amount of funds available on the Card to the Card. You must then arrange to pay the difference using another payment method. Some merchants may require payment for the remaining balance in cash. If you fail to inform the merchant that you would like to complete a split transaction prior to swiping your Card, your Card is likely to be declined.
