

Online Financial Disclosure Statement is now available

Why is this annual reporting requirement important?

All faculty and certain staff are required to submit a disclosure of financial interests and outside activities online each year by The University of Texas System policy and the UTHealth *Conflict of Interest, Conflict of Commitment and Outside Activities Policy* ([HOOP 20](#)). In some cases, a disclosure may also be required by other state and/or federal regulations (in accordance with NIH guidance) and for submitting grant applications.

- You are a faculty member;
- You are an administrative and professional (A&P) employee ([HOOP 150](#), *Administrative and Professional and Classified Job Appointments*);
- You are an executive officer of the university;
